

## Improving Pupil Attendance

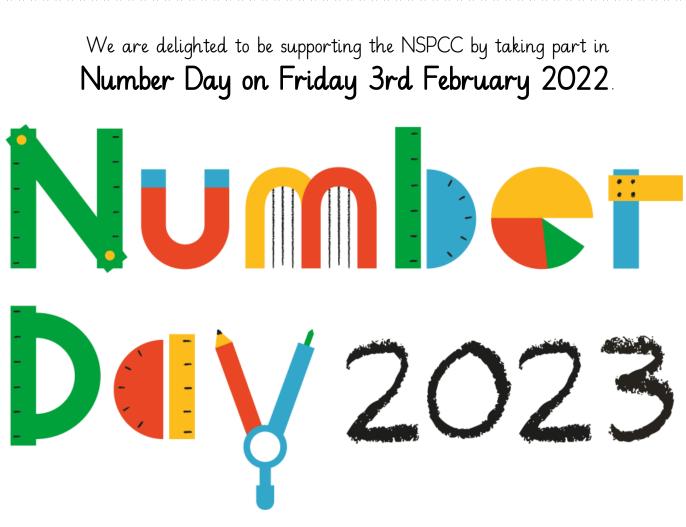

Good attendance at school is the single most important factor in ensuring that children and young people have the best opportunities in adult life.

Parents/carers have a legal duty to make sure their child receives a suitable education. If a child is registered at a school, they must, by law, attend that school regularly and punctually. Children should only miss school if they are ill or unable to attend for some other unavoidable reason.

If child is unwell, please contact school office to update. If your child is unwell for a few days, you have to update the school every day. Please find the link for the parental guide for <u>Minor illnesses and school</u> <u>attendance</u>

For more information about pupil attendance and how parents/carers can help their child to have good attendance, please check Improving Pupil Attendance in Islington: The Role of Parents/Carers.

If you have any questions or need any help from school, please contact us and then we can work together.

We are having a fun day of Maths activities, and we will be taking part in **Dress up for Digits**. Pupils are asked to wear an item of clothing with a number on it, or get even more creative by dressing in a Maths or numbers theme.

To help raise money for the NSPCC (National Society for the Prevention of Cruelty to Children), we are asking for donations, and we'd love everyone in the school to take part in this special event.

The class that raises the most money, will win a special prize! There will also be prizes given out to children with the most creative costumes!

We're really looking forward to all the fun of Numbers Day, and we really appreciate your support. All the money we raise will make an enormous difference to children today.

### Reception

We love going to forest school to learn new skills. Last week, we helped Rohan make a campfire and made some popcorn which we really en joyed eating.

### Dinosaur update:

We came into school on Tuesday and found that one of our dinosaur eggs had hatched. There was som slime/gooey liquid in the box and remains of the egg. We saw some footprints on the radiator and windowsi and think that the baby dinosaur may have escaped. The other three eggs had not hatched so we decided t send them to the museum.

# Year I

<sup>×</sup> In Year I we have been learning about the artist Paul Klee. He said that a line  ${}^{\times}_{\times}$  was 'a dot going for a walk' so we practised making different lines using  ${}^{\times}_{\times}$  marker pens in Art. We have also been learning about subtraction in Maths,  ${}^{\times}_{\times}$  taking away amounts using number bonds to help us!

Year 2 This week, Year 2 have started a new food technology project. We tasted a variety of fruits and vegetables, help us to decide what to put into our soup.

## Year 3

In PE, Year 3 have been immersing ourselves in outdoor adventurous activities. We began by drawing some fantastic maps of the school then spent time thinking about how to give directions. We blindfolded and guided each other around the playground to certain points thinking about the words we need to use to get our team member to the right spot, instead of moving them ourselves. It was so fun to guide each other, everyone was very brave and had a go at being blindfolded.

 $m \rines$ Year 5 participated in a road safety workshop. They investigated a crime scene and learned some important  $\stackrel{\scriptstyle \scriptstyle \scriptstyle \scriptstyle \times}{\scriptstyle}$  life lessons that will keep them safe.

# Year 6

Year 6's trip to 'TFL Safety & Citizenship Workshop' was a fantastic success - We learnt about a broad range of subjects from professionals in many of the major emergency services and other London services such as the Metropolitan Police, London Fire Brigade, Transport for London, Forum+ and Arsenal Football Club. Well done Year 6 for representing the school brilliantly and your focused concentration during our learning!

# THE ELMS HOLIDAY CAMPS ST. JOHN'S HIGHBURY VALE SCHOOL Conewood Street, Islington, London N5 1DL
