Rec: Kyla & Eva

Y1: Mikhail & Valerio

Y2: Grace and Sadie Rose

Y3: Ruby and Hunter

Y4: Year 4

Y5: Evie & Ruqayyah

Y6: Mariia and Etta

Rec: Isobel

Y2: Isaiah and Alex

Y4: Nathan, Alberto and
Ho-Yin

Y5: Holly & Milly

Y6: William and Jesse

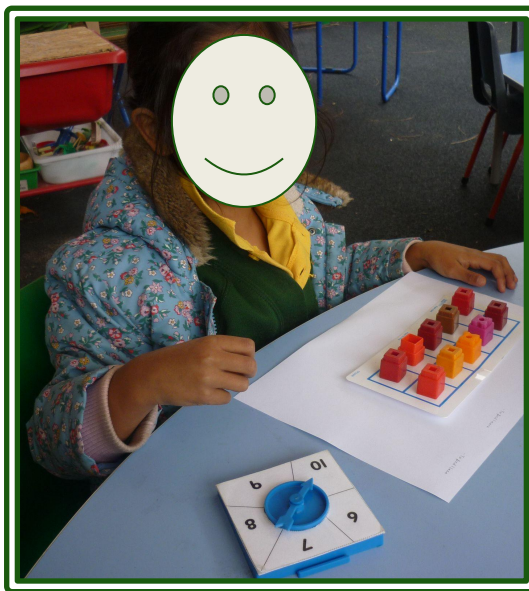

Reception News

Reception class have been sorting pictures, according to the amount of items that they represent.

Then we used ten frames to have a go at representing different amounts.

We also explored finding one more or one less, using the ten frame as a visual support.

Year 1 News

For maths this week we have been learning about doubles and adding and subtracting ones up to 20. We found this quite tricky at the start but we think we are starting to figure it out by using our cubes and tens frames to help us. We've also been learning some games to help us with our doubles - we had so much fun!

Year 2 News

Year 2 used natural materials to make sculptures inspired by Andy Goldsworthy. The children worked well together to create interesting pieces. We are excited to go to Gillespie Park next week to put together our final sculptures which will include mixed media.

Year 3 News

Number day was a huge event in year 3! There were some very impressive calculators, dice and number lines shuffling into chairs and solving the maths clues! This week we have also been doing doubling and doubling again in maths. Our beans have continued to grow tall and strong on the windowsill.

Year 4 News

Year 4 had a fantastic trip to the River Thames this week for our Geography unit - 'What Do You See?'. We got an Uber Boat to Greenwich - from which we saw a number of landmarks - including the Tower of London, the Shard, Canary Wharf and more! The children were very excited to have a boat ride on the River Thames, and had a lovely experience overall.

Year 5 News

Friday at St John's was NSPCC Number Day! We raised money for the valuable work the NSPCC do all around the country and helped extend our maths knowledge with a brilliant maths quiz! We dressed up as numbers, and I want to thank everyone for the excellent effort they went to in creating their costumes - our highest costume praise goes to Evie who worked extremely hard to make this AMAZING costume on the right! Well done everyone for your hard work during Number Day!

Year 6 News

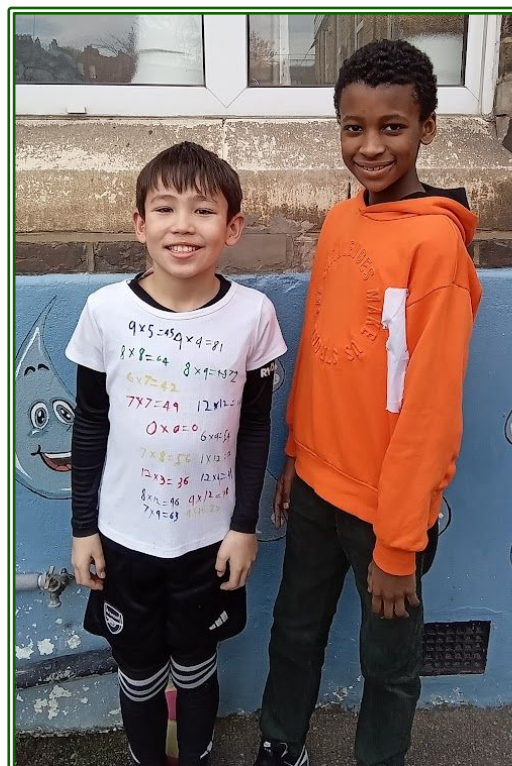

This week, we have been trying to incorporate maths into more of our lessons for NSPCC Numbers Day. For PE we played a game of multiplication ball! A game where we have to throw and catch the ball whilst answering a maths challenge question. If you give a wrong answer or don't catch the ball, you have to complete a forfeit like run a lap around the pitch, do some press ups or sing a silly song. It was really fun!

Sports

A very exciting night for the children attending the football league match this week. We faced Pooles Park on Tuesday and it was goals galore! The Boys won 7-0 and the girls completed their match with a 3-0 win.
