The class with the best attendance at 98 % was

Year 5

The class with the best punctuality last week and with 0 children late all week was ...

Year 5

Only a week and a half left before the Easter break. A reminder to get creative with the Hope in the Silver Linings homework projects, and to get 'cracking' with those Easter bonnet creations. A gallery of work created for the homework project will be displayed in the school hall for all of the children to see and appreciate. Have a great weekend, Mrs Hodgson

Collective Worship

Here is this week's open the book video titled 'The King who did not listen' with a new song called 'The big family of God.'

Homework Project

We would like the children to focus on what gave them hope in the past, during the lockdowns, whilst at home and at the peak of the pandemic. What is giving them hope now, in the present? What are they hopeful for in the future?

We would like the children to express themselves in the most creative ways possible for this homework project.

Homework projects are due in on Monday 29th March, to be displayed in a school gallery on Tuesday 30th March.

Messages of Hope

We replaced our balloon release of hope with 'Rocks of Hope', a completely environmentally friendly act. Each child will paint a rock and write their message of hope upon it. We will then decide on different locations in Islington that we can walk to where the children can place their 'Rocks of Hope'.

On last day of term 31st March, 2021 we finish at 1.30 pm

Reception

Reception Class have loved the role play areas in the classroom since they have returned. They have had superhero gatherings at the superhero headquarters: writing secret messages, phoning superheroes and tracking them on the world map. They have also been intensifying their superhero powers by doubling their vegetables!

Year 1

Year 1 have begun learning about some the important days leading up to Easter. As a symbol for Palm Sunday, we created Palm Leaves with messages of praise and thanks to Jesus.

Year 2

Year 2 have been thinking about The Easter Story. We used symbols to represent different parts of the story.

People waved palm leaves to welcome Jesus.

Jesus had water in the last supper.

Jesus broke some bread to represent his body.

Jesus poured some wine to represent his blood.

Jesus died on the cross to

The people welcomed Jesus.

They had this for the last supper.

They also had this for the last supper.

Jesus had wine and bread and water for the last supper.

Jesus died because the important people find him on a cross.

Year 3

This week in Year 3 we started reading 'Julius Zebra' as part of our Romans topic. Here are some wonderful drawings and descriptors of Julius.

LI: To plan a character description for Julius Zebra.

Year 4

Roll up! Roll up! Step right this way! We've spent a lot of time at the circus, creating wonderful acts and bringing them to life. What a week in year 4.

Year 5

Today we have been undertaking a maths investigation - by making cupcakes! We used our developing fractions and percentages skills to take and adapt a recipe ready to make our cakes.

Year 6

We are really enjoying learning about mountains. We have learnt about the five different types of mountains and have designed one mountain which we will create using lots of different material. Look out for our creations!

Here are some photos of our designs.
