Happy Eid Mubarak to all St John's families who are celebrating!

EID MUBARAK

Wish you all a very happy
and peaceful Eid.

New Cook for Christ Church Playgroup

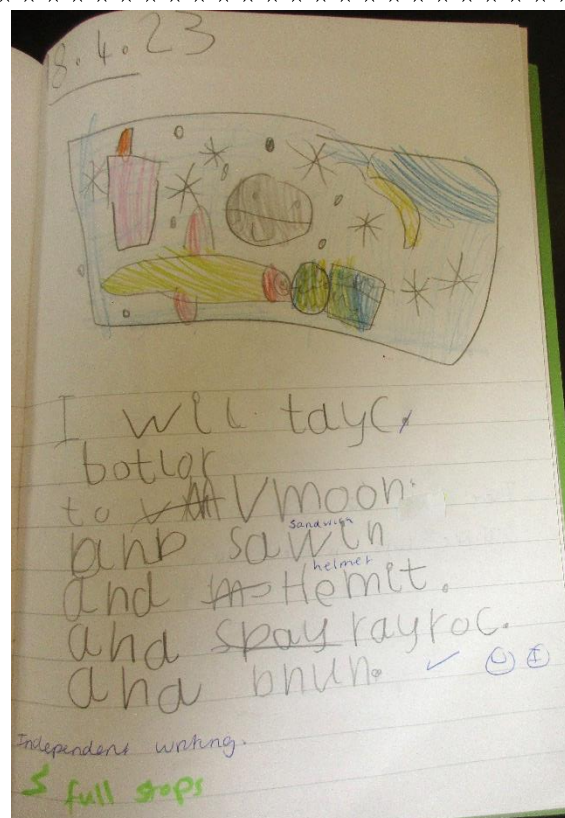

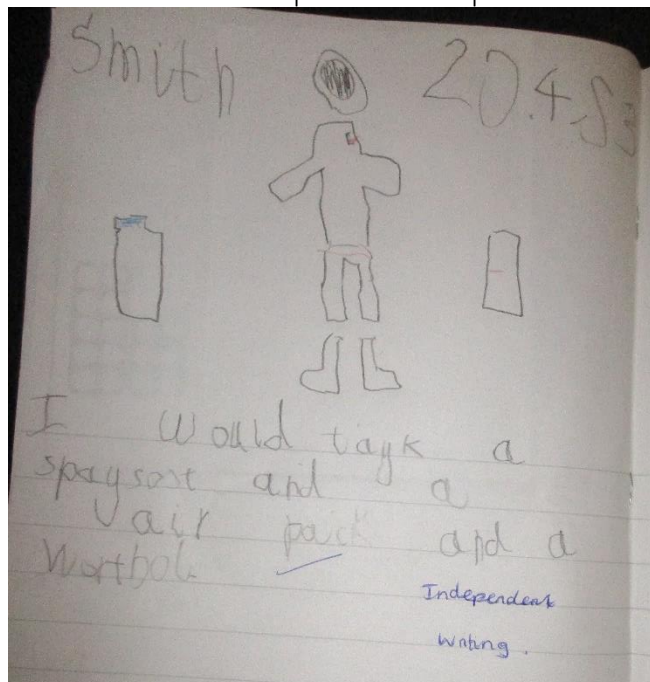

Christ Church Playgroup is looking for a new Cook to prepare the children's lunch and manage the kitchen. We have a simple, nutritious menu that needs basic cooking skills to prepare. We ask for a level 2 Food Hygiene certificate (but if you don't have one it takes a few hours on an online course to brush up your knowledge).

Hours are Monday to Friday during term time, from 11.00 - 13.15. It's a permanent role, with an hourly rate of £11.95. Drop an email to Lotte or Amanda at info@christchurchplaygrouphighbury.com if you are interested!

Reception

In English, we have been reading the story Whatever Next by Jill Murphy. We have been thinking about what we would take with us on a space mission and writing lists and sentences. This links in with our new topic all about space.

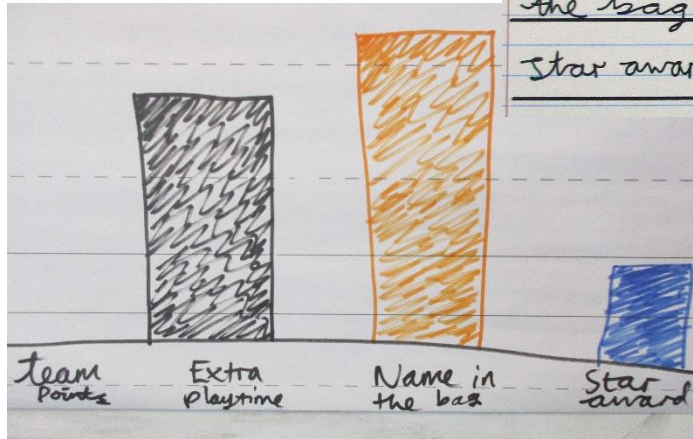

Year 1

In Year 1 this week we have been learning about Stephen Lawrence and why we are celebrating him this week! We created candles with messages of hope for the future. We have also been looking at place value to 50 in maths and starting our history unit about The First Flight.

Year 2

In Maths we have been learning about statistics. We voted on a class reward and created a tally chart, table, pictogram and block diagram, to show the results.

	Tally	Table	Pictogram $\Delta = 2 \text{ votes}$
team points		0	
Extra playtime		10	$\Delta\Delta\Delta\Delta\Delta$
Name in the bag		13	$\Delta\Delta\Delta\Delta\Delta\Delta\Delta$
Star award		3	Δ L

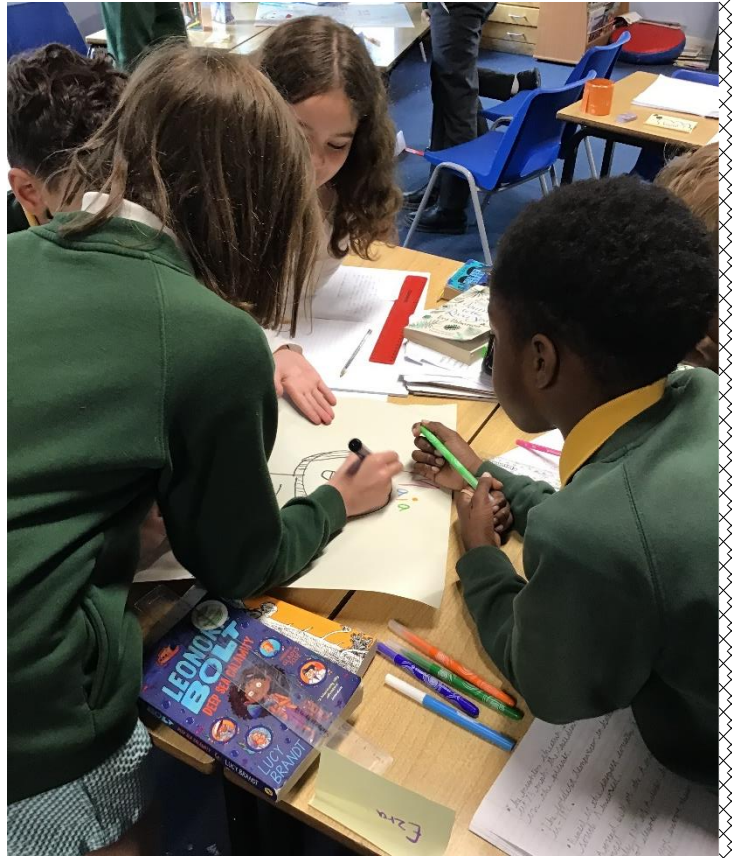

Year 3

Year 3 have been learning all about Stephen Lawrence this week and creating messages of hope. We thought about what future we want and made placards sharing our hopes. We also finished our dance that we have been making to share our message and can't wait to share it with the school.

Year 4

In Year 4 we have started our new class text in English. The children have been using the book to analyse the main character, Maia.

Year 5

In Year 5, we celebrated Stephen Lawrence Day by creating a Tibetan flag of prayers, which included our monoprints of Stephen's photo.

Year 6

This week we began by exploring an element of our new Geography topic - Trade. We played a game that introduced different concepts such as import and export & demand and supply, also focusing on how different countries have different resources, some have a great deal of natural resources but few technical skills and some who had many technical skills but few natural resources.
