Join the Sparks film crew and learn how to make your own movie productions in fun-filled film making classes. Young film makers taking part learn how to direct, crew, shoot, edit, act and even more. They work on their own productions, exploring a new theme and different techniques each term.

Classes help to boost imagination, confidence and practical skills, as well as helping young film makers to meet new friends.

The Autumn term starts on 25th September 2021. To learn more and to register for a free trial class, please see:

New House Captains

After a two-week election campaign and voting across the school, the ballots have been counted. As a result, we are pleased to announce the elected House Captains.

Blue Team: Oliver and Abigail;
Green Team: Andrea, Taylan and Ebba;
Yellow Team: Sahara and Dylan,
Red Team: Benjamin and Finlay.

Congratulations and good luck to our new captains,
and very well done to all Year 6 pupils who enthusiastically campaigned for this
election.

Reception

Reception class have been getting to know each other and making self-portraits. We have experimented with mixing colours, closely studied our faces, noticing the colour of our eyes, hair and skin tone.

Year 1

Year 1 have enjoyed learning art skills such as colour mixing and using the correct paint brushes. Our outcome was painting a portrait of ourselves.

Year 2

In Year 2 we have been thinking about representing number, using a variety of different manipulatives. Can you identify the numbers that we are trying to show?

Year 3

This week Year 3 have had a great week, in RE they explored The Creation story and made a storyboard to show the Bible story with some amazing illustrations to go along with their writing!

Year 4

In year 4, we did some art inspired by our R.E this week - Abraham in the Night Sky. We used water colour paints and salt to create our backgrounds and cut out a silhouette of Abraham. Aren't they beautiful?

Year 5

This week, we have been taking a deeper look into the meaning of friendship. The children created their own games in our weekly 'Friendship Roulette' task. They worked cooperatively with each other to create new and exciting playground games.

Year 6

Year 6 have been exploring their thoughts and feelings through art.
