

## *Art Home Project*

# “What I love about St John's Highbury Vale”

The deadline is on Monday, 24th May

Using a range of different media, create piece of art which shows what it is you love about our school. Take time to really think about the unique and the ordinary, that we do at St John's. What is it that makes you happy, what do you enjoy, what makes you smile? Present your work in which ever way you choose.

Mrs Hodgson will choose 2 pieces of artwork from each class which will be displayed round the school.
