Dear Parents/Carers,

We would like to order some branded presentation folders for school. These folders will be given to prospective parents and will hopefully be a representation of life at St John's. In order to do this, we would like to use some images of the children. A picture with your child on has been chosen. Please could you have a look at the photos in the folder below, get back to us if you are willing to give consent for those pictures to be used from now and for a further five years.

Please note that this form does not affect existing pupil data consents (e.g. if you have said that your child's photo should never be on the website, this will continue to be the case) – but if you wish to amend your existing consent, you can contact the school office.

Yours sincerely,
