9<sup>th</sup> September, 2020

Dear Parents and Carers,

From the week commencing 14<sup>th</sup> September the school will be operating a daily breakfast club service.

In order to operate the breakfast club in line with the government's guidance, protective measures will be in place to reduce the risk of transmission of the virus between different bubble groups and staff members. As part of the protective measures, pupil numbers may need to be limited and there will be some organisational changes to how the club is able to operate.

- The breakfast club will be held in the school hall.
- The hall will be divided into four sections to accommodate the four different bubble groups (Reception, Year 1&2, Year 3&4, Year 5&6).
- All children will be expected to remain seated in their bubble's allocated section from their arrival until the end of breakfast club- this is to reduce the contact between different bubble groups.
- Children will eat breakfast at their allocated table. Once they have finished they will be free to participate in seated activities such as games, puzzles, drawing, reading or writing.
- Breakfast club slots must be booked in advance.
- Supervising adults will wear appropriate PPE including a face visor.

If you would like your child/children to attend breakfast club, please complete the form below and provide as much information as possible.

Please note: Spaces at breakfast club may be limited and we may not be in a position to offer a space to everyone who expresses an interest. If we are able to accommodate your child, we will inform you by 5pm on Friday 11th September.

We will, of course, endeavor to support all families who require this service.
