

Date: 10th December 2020

Dear Year 5 Parents and Carers,

We have received a new notification of another positive case of Covid-19 in the school community. On this occasion, the confirmed case is from the Year 5 Class. The positive case was last in school on Friday 4th December, therefore anyone who has been identified as a contact would need to self-isolate until **Friday 18th December.**

As all children who eat the lunch provided by the school have already been identified as contacts of a previous confirmed case of Covid-19 and are already required to isolate until Friday 18th December (inclusive), there is no change to the self-isolation requirements for most pupils.

If your child is in Year 5 and has packed lunch, they are now required to isolate until **Friday, 18th December.**

What to do if your child develops symptoms of COVID 19

Please continue to monitor your children for symptoms of Covid-19 until Friday 18th December. If your child develops symptoms, please ensure they take a Covid-19 test as soon as possible. If your child tests positive for Covid-19, **please notify the school immediately by email** so that we can conduct a new risk assessment and identify contacts in the school community.

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

If your child does develop symptoms, you can seek advice from the nhs.uk website at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/>. If you are concerned about your child's symptoms, or they are worsening you can seek advice from NHS 111 at <https://111.nhs.uk/> or by phoning 111.

Yours sincerely
Mrs Read
