Friday 21st June 2024

Dear Parents and Carers,

I hope you have had a lovely week. At St John's, we have enjoyed learning about our children and staff's cultures and heritage. The children completed some great work. I hope you had the opportunity to come and join our celebration - It was lovely to share the day with so many of you, and to see the children in their fabulous outfits. Please look at the newsletter to see some of the wonderful things we did this year for International Week - we will share more photographs in next week's newsletter.

## **Y6 Deanery leavers service**

On Thursday, we met all the other Church of England Schools in Islington for the leavers' service. The Y6 children were chosen to sing 'The Lord is My Shepherd'. They sang beautifully, and I was very proud of them. Thank you, Y6, for representing the school and showing all of our school values. Etta talked about what our school vision (I can do all things through Christ who strengthens me ) means to her and how it will continue to apply when she leaves this school.

## **Healthy snacks**

If your child/children are bringing a snack to school for break time, please make sure it is healthy and nut-free. I have seen several packets of crisps in the bin after morning play. Crisps are not a healthy snack. Nutritious snacks provide a steady release of energy, and this is what the children need to focus on for their next session. I would appreciate your support in ensuring that we continue to be a healthy school.

## **Run Islington Run on the 7th July, 2024**

There is still plenty of time to sign up for the fun run. We would love to see as many families as possible. Please speak to Sarah if you have any questions. Once again, this event raises a lot of money for the school, which is used for many enrichment projects. Donations can be made via the Crowdfunder linked [here](#), or by scanning the QR code on the poster attached to the school gate.

## **Parent Questionnaire**

This week, we sent out a parent questionnaire. Each term, we ask different stakeholders to share their views to help make the school a better place for all children. The children and staff shared their views in the last two terms. We now need yours. If you have not already done so, please complete the questionnaire linked [here](#) by the end of Monday 1st July.
