Friday 26th April 2024

Dear Parents and Carers,

We have had another wonderful week at St John's. The children are working hard and showing great resilience. When I walk around the school in the morning, by 9:05, all the children are focused and ready to learn. This is thanks to the fantastic team at St John's, who have set up great routines.

When children arrive in the classroom, they have four questions they are asked to complete. This is called 'Flashback Four'. Please see the example below for Y4. If your child is late, they miss out on this learning every morning.

1) What is 3×12 ?

2) Find $36 \div 6$

3) Six divided by six is equal to?

4) Find the sum of 3,482 and 1,563

Gardening resources

Thank you to the parents who have sent us plants. Please continue to donate any spare plants you may have to the school. We really appreciate your support.

Parents Evening

Thank you to parents and carers who attended parents' evening. We hope you found it helpful and learned how to support your child at home. If you were not able to attend, please contact the class teacher to book another appointment.

Breakfast and Kidz Club Bookings

A reminder that bookings should be made via the SchoolGateway app - Breakfast club should be booked **by midday the day before** and KidzClub should be booked **by midday on the day**. We do understand that on occasion, plans change and sometimes last minute childcare is needed. We will always do our best to accommodate your needs, but please be mindful that the kitchen staff need numbers of children attending in advance to enable them to prepare sufficient food for all the children.

Please also make sure that you select the correct time needed for KidzClub - from 3.30pm if needed directly after school, or from 4.30pm if needed after After School Club - and please select the correct finish time if your child needs to be taken by KidzClub staff to another club. Selecting the correct time slots helps us to ensure the children are where they are supposed to be at the correct time and allows us to properly safeguard the children in our care.
