Dear Parents & Carers,

It is with great pleasure that I write to you with information about the Year 6, End of Year Production. The children are in full swing with rehearsals, and have added some of their own flair to the performance.

Following all government guidelines, we are permitted to have an indoor performance of one bubble. We are encouraging social distancing where possible, and we are therefore reducing the amount of adults in the school hall, for both the afternoon and the evening performance to forty adults per session.

We are asking that only two members of a child's family attend the performance to keep numbers down, and help us meet the government requirements. We also ask that all parents come to the performance with a mask or a visor, unless you are exempt. Hand sanitizer will be available at the entry of the school hall.

In order to reserve spaces at either the evening performance, on Wednesday 14th July at 6pm, or the afternoon performance on Thursday 15th July at 2.30pm, call the school office. Unfortunately, we insist that you reserve a space, as we must be able to manage capacity of bodies within the school hall.

I am very excited to see the children perform and have fun together, in what I know is going to be an interesting perspective of the events from the last eighteen months!

Yours faithfully,

Mrs Lindsey Hodgson

Head of School
