Dear Parents and Carers,

St John's is one of eight Islington Church of England Schools, who work very closely together to provide wonderful, collaborative experiences for our children. So far we have worked together to provide Prayer days, science trips, charity events and leavers services.

This time the plan is to get every Year 1 class, from all eight schools, to learn the same song and record video and sound, of them singing it in their own schools on Monday 27th February.

The Song

The song we would like each class to learn is called 'Every Move I Make' by Hillsong Kids. The links below are to the correct versions. Please do practice this at home with your children.

The Video

For the filming of the video, the music teacher from St Mark's will visit the school on Monday 27th February and will record the children, this should take no more than 30 minutes. The children will need to come to school in the school uniform.

Once all Year 1 children, from all eight Church schools have been recorded, a video will be made and shared across the eight schools and on the LDBS website. A Year 1 ZOOM meeting will be held for the premiere, so you will be first to see the performance.

We understand that some children are not usually allowed to be filmed in school, but we do ask that you consider again for this occasions. If you still wish for your children not to be on the collective film, please do e-mail Edita in the front office and let her know.

Yours sincerely,

Mrs Lindsey Hodgson
Head of School
