

**English:**

We will focus on stories with familiar settings and will be developing the following skills:

- drama (hot seating, roleplaying etc- give structure for characteristics and Qs)
- identifying the beginning, middle and end in narrative
- Retelling the story: focusing on who is in the event, where events take place and what happens in each event
- Using story language, sentence patterns and sequencing words to organise events.

**Our Key Text:**

**Maths:**

We will focus on place value, addition and subtraction and shape and will be developing the following skills;

- Count forwards and backwards, read and write numbers to 20 in numerals and words.
- Given a number, identify one more or one less.
- Identify and represent numbers using objects and pictorial representations and use the language of: equal to, more than, less than (fewer), most, least.
- Represent and use number bonds and related subtraction facts.
- Recognise and name common 2-D and 3-D shapes.

**Number Facts:**

End of Year 1:  
 x2, x5, x10  
 \*Plus related facts  
 $3 \times 2 = 6$  so  $6 = 2 \times 3$

**Time:**

Use language relating to dates; days weeks, months and years.  
 Tell the time to the hour and half past the hour.

**Religious Education:**

The children will be learning about Christianity and the responsibility that God has given people about taking care of Christianity.

Church Events: 11<sup>th</sup> October - Harvest Festival

Collective Worship theme: Friendship

**Year 1 Curriculum Map**

**Autumn Term**

**Miss Bullen**

**Mrs O' Connor & Emma**

Weekly home learning tasks are given out on Friday and collected on Wednesday.

**Science:**

Our Topic this half term is Seasonal Changes and we will be:

- Observing changes across the 4 seasons.
- Observing and describing weather associated with the seasons.
- Observing how the day length varies across the 4 seasons.

**History & Geography:**

Our Topic this half term is changes within living memory and will focus on how toys have changed.

The children will learn about how toys have changed over time and will make comparisons from the past and present and relate them to their own experiences.

If you have any of your old toys from when you were a child or remember any playground games, please share them and talk about them with your child with your child.

**Physical Education:**

The children will be learning to work as a team and will take part in multi skills.

**PE Kit Required on: Monday and Thursday – please ensure your child’s PE kit is in on these days.**

**Computing:**

We will be exploring our new computing resource ‘Purple Mash’ and learning how to stay safe online.

**Art & Design:**

Our creative activities will be linked to our topics. We will be making toys and exploring what materials to use and how to assemble, join and combine materials and components.

**Music:**

The children will be learning the songs for our Nativity play.

**Phonics:**

We will begin by recapping all of the phonemes and digraphs learned in Reception class.
