

That was too fast.

twinkl.com

Please can you talk a little slower?

That was too quiet.

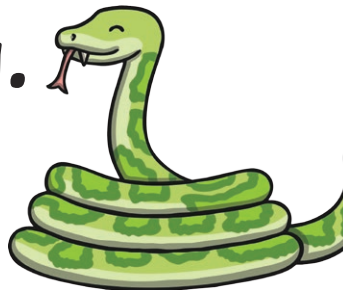

twinkl.com

Please can you talk a bit louder?

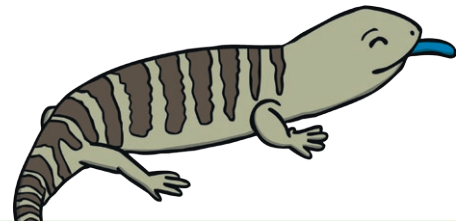

That was too long.

twinkl.com

Please can you make that a bit shorter or tell me a bit at a time?

Too much noise!

twinkl.com

I couldn't hear. Could you say that again, please? I can't think properly.

A new word.

twinkl.com

I don't know that word. Please can you tell me what it means?

Need more details.

twinkl.com

Can you tell me more about it?
What? Where?
When? Who?
How?

I wasn't listening.

twinkl.com

I'm sorry, I didn't listen properly. Please can you say that again?

I was distracted.

twinkl.com

Sorry, I was distracted. Please can you say that again for me?

I don't know.

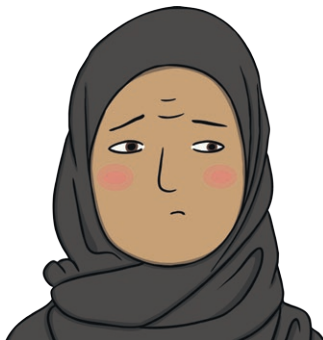

twinkl.com

I don't understand what you mean. Could you explain more clearly, please?

I don't know.

twinkl.com

I am not sure what you mean. Do you mean...?

I need help.

twinkl.com

I'm confused. Can you show me what to do?
