Dear Parents and Carers,

I hope you are all well and have had the opportunity to enjoy the sunshine, whether through some family time outdoors or simply a chance to relax and recharge during the warmer weather.

Parents' evening

Thank you to all the parents who were able to attend Parents' Evening. If you were unable to attend, please do schedule an appointment with the class teacher. These meetings are a valuable opportunity for you to hear about your child's progress and discuss how we can work together to support their learning. You will also have the chance to look through your child's books, which gives a real insight into what they have been doing in school. If your child is anything like mine and tends to share very little about their day, seeing their workbooks is a great way to understand what they are learning and how they are improving.

School's value

This half term, our school's value is LOVE. Why do you focus on love now?

As the school year has progressed, the children have grown in their relationships with one another. They are now able to show deeper forms of love—such as care, kindness, and support for their friends and classmates. The summer term is a perfect time to focus on this value, as it reflects a season of growth and warmth, just like the way love grows in strong, respectful relationships.

FOSJ

The FOSJ group has been working hard behind the scenes to organise a number of exciting events this term. Your presence and support at these events make a real difference, and we would love to see as many of you there as possible. The support FOSJ provides is incredibly important to our school—thanks to your generosity, we are able to offer valuable enrichment opportunities that go beyond the classroom. If you are able to help in any way with the upcoming events, please don't hesitate to speak to a member of the FOSJ team. Every contribution, big or small, truly matters.
